TERMS & CONDITIONS

1. SPECIFICATIONS

- 1.1. We use only European u-PVC profiles for manufacturing all our doors & windows.
- 1.2. All our doors & windows are manufactured in accordance with the technical specifications laid down by our European profile & system partners.
- 1.3. Glass is a bought out item for us and is provided on customer's demand as per the desired specification which are indicated on our quote along with the glass prices.

2. PRICING

- 2.1. All basic prices in the quotation are for white profile systems, unless specified otherwise, as per the sizes mentioned therein. The quote is submitted as per the initial understanding of the requirement. Quotation will be believed to have been understood in all respects, technical & commercial, once the approval is accorded on the same. No discussion in any regard will be entertained once the job is sent for production. Any special requirement, if any, is requested to be submitted before the final approval of the quote.
- 2.2. The costing of the window is based on the "hole in the wall" and not the frame dimension.
- 2.3. The rate of tax as prevalent is shown in the above quotation. The rate of tax as prevalent at the time of delivery & billing shall be charged. We are not liable to issue any advance / interim notice effecting this change, the same being statutory in nature.

 - 5.2. The customer is requested to get all the pages & each window along with the terms & conditions given in this quote duly stamped and signed as a mark of his understanding & confirmation.
 - 5.3. Vadodara Windows reserves the sole right to agree and/or honor any verbal commitment whatsoever by any of its representatives. No discussion shall be entertained in this regard from the customer and/or the said representative.
 - 5.4. Where the order is placed on the basis of this quotation then this quotation and its terms and conditions will be deemed as accepted by the customer notwithstanding any signed return of the said documents as per para 5.2.
 - 5.5. All orders undertaken by Vadodara Windows are as per the Terms and Conditions of this document and cannot be superceded by the customer order, unless explicitly accepted in writing by Vadodara Windows.
6. **FABRICATION**
 - 6.1. The order (doors & windows) shall be put to fabrication only after final site measurement of each window by our authorized representative is approved by the site in-charge. The site in-charge is requested to sign on each window measurement after duly checking the window/door elevation, technical specs & locking arrangement. No discussion shall be entertained later in any of the said relation and all windows manufactured as per approved quote will be billed to the customer.
 - 6.2. Changes if any, in design/specifications of doors and windows as against the approved quotation will have to be intimated by the customer in writing before the final measurement. A revised quote incorporating the said changes shall be submitted for fresh approval. This is mandatory to avoid any discrepancies later before approved final measurement & site preparedness report is submitted by our representative.
 - 6.3. Where the survey sizes are greater than 5 mm in either the width or the height, the additional dimensions will be charged to the customer at the same rate charged for the relevant windows.
7. **DELIVERIES**
