TERMS AND CONDITIONS OF CONTRACT - WINDOWS & DOORS (PRODUCTS)

1. CONTRACT

- (a) Only these terms and conditions and the product details shown on the Quotation enclosed form the Contract between us, so it is important that you check to make sure everything you want is included. We (WEATHERSEAL) have asked you to read these terms and conditions and sign on the front page to confirm that you agree to them. Any warranties or promises, representation given or discussion held verbally by any person on behalf of WEATHERSEAL that are not noted and detailed herein will not form any part of this contract and WEATHERSEAL will not be responsible for the same.
- (b) You have understood all the terms and conditions, features, designs, drawings, notes, abbreviations, specifications and applications of the products and the price proposal in detail before signing the Order Form, drawings and price proposal in acceptance of the same.
- (c) Since product development is an ongoing process, hence, product design and specification may vary slightly without altering the functioning in any way.
- (d) You have fully understood that this contract may be subject to a survey and credit check to be carried out by WEATHERSEAL
- (e) The Price shall be valid for 1 months.

2. CHANGES TO THE CONTRACT

If either of us wants to make any changes after this contract has been signed, both the parties will need to agree to them first about the feasibility of the same. We will always confirm changes on a 'Contract Variation Form' for you to sign. Sometimes we may need to make minor technical changes to the product specifications which are unavoidable and we will not notify you in such cases.

3. CANCELLATION OF CONTRACT

- (a) You may not cancel this contract, so only sign it if you are sure you wish to purchase the products shown on the front page and you can comply with the terms and conditions.
- (b) If we cancel the contract, we will refund your deposit to you. We may cancel the contract if
 - (i) We cannot install the products properly following survey.
 - (ii) We cannot reach an agreement with you over our suggested changes or any pricing changes after we have carried out the survey.
 - (iii) There is a breach of contract or refusal to comply with statutory requirements such as Building Regulations etc.
- (c) It shall be clearly understood that the product under this order/contract is tailor made for you and once order is finalized, cancellation of order/contract is not permitted. However, if you still cancel the contract, WEATHERSEAL shall be entitled to claim cancellation fees as per its schedule, balance costs, expenses and damages from you for which WEATHERSEAL shall be sole judge. WEATHERSEAL has right to adjust Advance paid by customer against these charges.
- (d) We may both cancel the contract if the survey reveals unforeseen additional work at extra cost and you do not agree to the same or that your site/ premises is unsafe or unsuitable for the installation to be carried out.

4. SURVEY

- (a) WEATHERSEAL may carry out a survey to make sure that what you have requested can properly be installed at your site/premises. WEATHERSEAL will try to do this within 14 days and you agree to allow us access within 4 weeks or early if so desired by us, unless agreed otherwise. If problems arise at survey, we will let you know.
- (b) You agree that all drawings, notes, abbreviations (i.e make-ups, add-ons & trims) and proportions (i.e vent heights, casement widths etc.) have been explained to you by the surveyor and all information agreed to on this survey is contractually binding upon you under the terms and conditions of this contract.
- (c) You agree that all information discussed between yourself and the representative has been passed to the surveyor, as well as any relevant information regarding the appearance has been added to the contract in your presence.
- (d) It be expressly understood that final production of the product will commence only after the Weatherseal surveyor and you jointly sign Survey confirming the Size, Designs and the Site Readiness on the front page of the contract and you adhere to the terms and conditions of the Contract including the payment schedule.

5. DELIVERY & INSTALLATION SCHEDULE

- (a) If any dates are shown on the front page, these can only be estimates. Actual dates may vary. We will let you know when the products are ready and agree an installation date with you. We will do our best to keep to this date but if delay arises due to reasons beyond our control, we will let you know and offer you the next earliest convenient date. Time is not the essence of the contract. In the event of a special glass being requested, WEATHERSEAL can only work to delivery times supplied by the glass manufacturer. Some special glasses may add 6-8 weeks on to standard delivery times. Contact Us: 7676 51 9999
- (b) You will permit us (and our agents, employees and contractors) access to the installation site at all reasonable times so that we may complete the installation.
- (c) WEATHERSEAL Windows are to be installed on immediate basis, as u-PVC windows are not meant for storage. You agree to pay all before dispatch payments, permit delivery and installation immediately on intimation of production failing which storage charges @1.5% per month will be charged by us (after 15 days of Manufacturing of windows). If finished goods of order are lying at factory for more than 90 days of intimation of production to you, then following action will be taken by WEATHERSEAL:
 - (i) Forfeiture of the advance money.
 - (ii) Recovery of all costs and incidental expenses (Net of Scrap value of windows).
- (d) You agree that we will not be liable for any delay which arises from Force Majeure reasons and causes beyond our control for example, fire, flood, riot, earthquake, civil disturbance, strikes, criminal damage, acts of war, government restrictions, shortage of labour and non-availability of material.

6. INSTALLATION AND HANDOVER

- (a) You will be responsible for timely obtaining any planning consents, permissions, road permits, approvals and/or to complete any work required before/for the installation at your cost. You will also be responsible for notifying us of any special conditions or restrictions which apply to your site/premises that restricts the installation of windows/doors.
- (b) We will remove and dispose of all the old windows and doors, if so agreed by us. This will be done on chargeable basis by us as per the rates agreed at the time of order booking.
- (c) You must ensure that your belongings including and /or any cables, aerials, alarms, radiators, security grills, curtains and blinds etc. are removed and the area where our installers need to work is clear and workable.
- (d) All WEATHERSEAL products are installed from inside of the building. If any scaffolding is required for installation, you will arrange for the same in advance at your cost.
- (e) WEATHERSEAL Windows and Doors are finished products and should be installed after brickwork, plaster, POP and flooring etc. If the sills are of granite or marble, Weatherseal windows should be installed after curing of the sill. In some cases, sill can break during drilling if improperly fixed. Should this happen, WEATHERSEAL shall not be responsible for the same.
- (f) We will use reasonable skill and care and approved working practices when installing the products. If any damage is caused due to installation directly attributable to us, Weatherseal will repair the damage in possible manner; but WEATHERSEAL will not redecorate or re-tile or carry out any work not in scope of its work.
- (g) Site work after installation can damage Weatherseal products and you are advised to protect the product adequately. Any damage or breakage to Weatherseal materials done by anyone including other vendors at site like painter, plumber, electricians mason, etc. will be replaced at your cost only. Weatherseal shall not be responsible for any inherent delays in arranging such replacement parts.
- (h) WEATHERSEAL will not be liable for any damage to products after installation by third party workmen. Any remedial/rectification works required due to third party damage, will be charged for and payment will be received in advance for the same.
- (i) WEATHERSEAL will not provide grills in Villa Windows. The same have to be arranged by you.

7. DELIVERY

- (a) The freight charges have been considered as per the size of the order. If you desire deliveries in multiple lots after placing the order, additional freight charges shall be applicable. If smaller lots are desired by you for priority shipment, full truck load charge along with additional packing charges will be applicable.
- (b) Since deliveries are made to the site in trucks and there are restrictions of truck movement in the city, the deliveries can be made only in permissible hours.
- (c) Once products are delivered, you will be responsible for safety and security of material till installation. In case of any damage or loss, replacement shall be charged to the client. Weatherseal will not be responsible for any inherent delays in arranging such replacement parts.
- (d) Our dispatch Team will deliver windows only to Ground floor. If any shifting has to be done for higher floors, will be done by the installation team during the time of Installation.

8. PAYMENT

- (a) If there is any delay in payment being received, the time schedule will not be binding on WEATHERSEAL and any quoted delivery times will also be extended to reflect the period of the delay. You will adhere to the Payment schedule in all respect. Contact Us: 7676519999
- (b) Any Change in Taxes & Duties will be borne by the customer. From effective date of implementation of Goods and Service Tax Act (GST) as notified, all Taxes & Duties will be replaced by GST as applicable under the said Act. Any difference in taxes due to applicability of GST will be borne by the customer.
- (c) Weatherseal Standard Payment Terms are as follows:
Advance – 50%
Before Dispatch – 50%

If the Order Value is Less than 1,00,000/- 100% Payment is applicable.
